FRANÇOIS BACLESSE RADIOTHERAPY CENTRE

WINNER OF THE FRANÇOIS BACLESSE RADIOTHERAPY CENTRE'S 2024 CALL FOR ARTISTS

Four digital artworks created for treatment corridors and adapted to healthcare hygiene requirements.

THE PHOTO-PAINTING PROCESS

Each project begins with original photography and evolves through digital and mixed-media techniques.
The artwork is developed to reflect the character of each space while responding to its architectural and technical requirements.

COMPLIMENTARY ON-SITE CONSULTATION • DIGITAL MOCK-UP • PERSONALISED QUOTATION

SOPHIA REIN

Visual artist creating bespoke artworks
